Dedication

Devotion to developing minds and molding character is how we describe the people to whom we dedicate the 1969 HORIZONS.

They have helped us learn and have given us broader interests through their untiring efforts. Our insights have been deepened and our knowledge magnified because of our association with them. Words cannot express the respect and gratitude we feel toward them for giving generously of their time and wisdom to develop in us such enduring qualities as honesty, justice, respect, perseverance, and courage.

We wish to express our appreciation to Mrs. Jacob and Mrs. Lorance in their last year of service with us.

MRS. J. G. JACOB

MRS. C. W. LORANCE

Home of the President

ALMA MATER

All hail to thee,
Oh Holmes J. C.
Alma Mater, all hail!
Thy precepts true,
Graven on our hearts,
Shall never never fail.
Thy children here,
From year to year,
As we go from thy halls,
Shall honor bring
And ever sing,
Love and peace dwell
In thy sacred walls.

Words: Jessie Van Osdel
Music: Mabel G. Harris
and John Caldwell

Editor's Message

Throughout the year the HORIZONS' Staff has endeavored to capture some of your most memorable experiences. This yearbook is a tribute to you - the students, the alumni, faculty, and administrators - and is symbolic of you because it represents you and your activities.

As you turn through the pages of this HORIZONS you will recall personal experiences, failures, and achievements. These will all be just memories because the year has past but they can return as you recall the happenings we have recorded in this yearbook. If someday you can look through it and remember the events which made you the happiest and some of those which may bring tears to your eyes, then our purpose will be complete.

It is our wish that you will be as proud of this annual as we are. I appreciate the opportunity to edit the 1968-1969 HORIZONS, and I hope that if in the future you wish to look on your past that you will turn to your HORIZONS.

Jean Wood

In Memoriam

The staff of this yearbook would like to set aside this page as a tribute to Ray Wilson Cox, a fellow classmate, who died in an automobile accident on March 7, 1968.

"Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,
For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar."

Tennyson
